

SENSORY CRAFT HOLIDAY PROGRAM

[Click here
for details](#)

This program is designed for children to explore their own creative skills while sharing friendships and fun.

**Join us for fun with
emotional learning
(Zones of Regulation) in
our Sensory Craft
Program**

Children will work in groups to:

- Explore emotions
- Learn about the Zones of Regulation
- Use strategies to problem solve and help with self-calming

We'll work together to share ideas, use our craft skills to make our own sensory tools (slime, shaving cream, stress balls) and learn about the Zones of Regulation and other strategies.
