

F-U-N SPELLS FUN!

School Holiday Literacy Booster

DOES YOUR
CHILD HAVE
TROUBLE
READING OR
SPELLING?

The fabulous Spectrum Speech Pathologists have designed a **ONE-ON-ONE** program to help support children develop their essential literacy skills.

Our therapists use a PHONICS approach to build on existing skills and provide a literacy boost for all age groups.

- Lots of fun and learning!
- Feedback and resources
- Guidance for parents

All about sounds!

- Linking sounds to letters
- Breaking up sounds in words
- Putting sounds together in words
- Moving sounds in and out of words
- Reading and spelling small words

The program involves a screening assessment (if your child is not a current literacy client) for \$212
