## PARENT COACHING PROGRAM: COMMUNICATION DEVELOPMENT IN YOUNG CHILDREN: 15mths - 3 yrs

**Learn practical strategies to support your child's language & communication development**

This program will empower parents to recognise and support their child's communication by emphasising child-centred activities, where parents will learn practical strategies to support their child's communication through a family centred approach. Parents will be guided through learning the important role that play has on a child's communication development. We will teach practical and powerful strategies to create opportunities for children to communicate through everyday routines.

***This program is for parents only, children will not be participating.***
