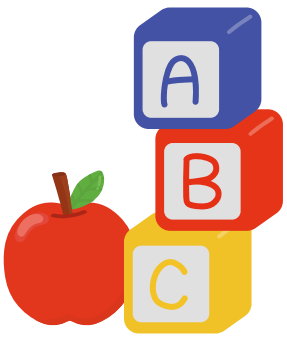
READY! PREP! GO!

Join us for our School Readiness Program in the January Holidays.

Our School Readiness Program is for little ones starting Prep in 2025. The group will focus on building those essential skills that will help make the transition to school as smooth as possible.

It's a big step and we're here to support your little one!

Children will work in groups to practise:


- Classroom skills
- Transitions
- Independence skills
- Learning to learn
- Learning to be part of a group
- Learning to make friends
- Early learning skills
- Building attention & listening skills
